Darling Wifie:-

Just received your darling letter of Saturday and can assure you that you fooled me when you enclosed the letter from the boot firm. Honey love, I am going to write this attorney to have the firm send for the boots. I don't want them. If ever I do decide that I want a set, I'll get one without much trouble. Better still, honey, you write them on your name, as my own baby wifie, and have them come for the boots. Oh well, I think it best that I write.

Well honey love, I will admit that I haven't been eating regularly, but now I've kind of gotten over my stomach trouble, so I guess there is nothing more to it. I'll try my best to get my meals on time so as to avoid any more trouble from my stomach. Don't you worry, honey love, everything will be alright.

So Nell is leaving this afternoon? Well, I hope she enjoys her trip. It sure was very nice of her co workers to give her such a nice gift. It certainly must be a beauty. Someday, honey love, I'll make you a nice gift, and believe me, they'll all sit up and take notice. It just goes to show you the difference in working for the city and for a private concern. If any body had a sinker of a job, Nellie had it didn't she? Never mind, honey love, please God, only 22 more days and my darling wifie will be here with me. Oh, sweetheart mine, if you were only here! The time will soon be here, though, so I live in anxious expectation. Believe me, honey love, there will be "no quarter" when once I start kissing and hugging you.

Business is going on as usual. In my assault case I've decided to file it in Court anyway, with a hope of obtaining some money out of it by way of compromise. One of the divorce suits that I thought I landed, I didn't, but perhaps she might turn up. Hope she does so that I can make a few dollars out of her. I got 3 little claims, collections, that I expect to make a few dollars out of. As yet, I didn't hear anything more out of the cocoa-cola matter, but I expect to hear something from them pretty soon. I got another little case from the same party in the cocoa-cola case, one against the street car company.

Well, honey love, how are you feeling? Are you over your illness yet? Sure do hope so, as I was kind of nervous over it. Your poor little kid, I sure do wish I could do something to relieve the pain when it comes on. Honey

mine, take good care of yourself, ~~hear~~, and don't work too hard.

Mail man just brought in your big letter. Can't read it now, love, but will answer it to-night. Hope it has some good news.

Will close now, darling, with all my love, hugs and kisses

Your ever loving hubby

Joe
